CHAPTER 99:
YOTSUBA & THE PARK

KIYOHIKO AZUMA

What a big park.

I wonder what they do here...

But there's lots of people! And adults!

I don't think so

Are there any swings or slides here!?

That man is really tired!

Look!

Look! That man is sleeping!

てけてけてけ

Yeah

A cute dog!

That kind is cute

But the big and black ones are scary

I'm good.

No.

Want to pet him?

I wasn't scared, though

That's an unusual dog

Oh

THAT'S A DOG!?

Will you pet him?

... No

Excuse us

It is. It's a komondor

Is it inside...?

"Move"...

It looks like it might use some unknown move...

There are many different dogs in tokyo

Okay!

Clap my hands like this, you have come back

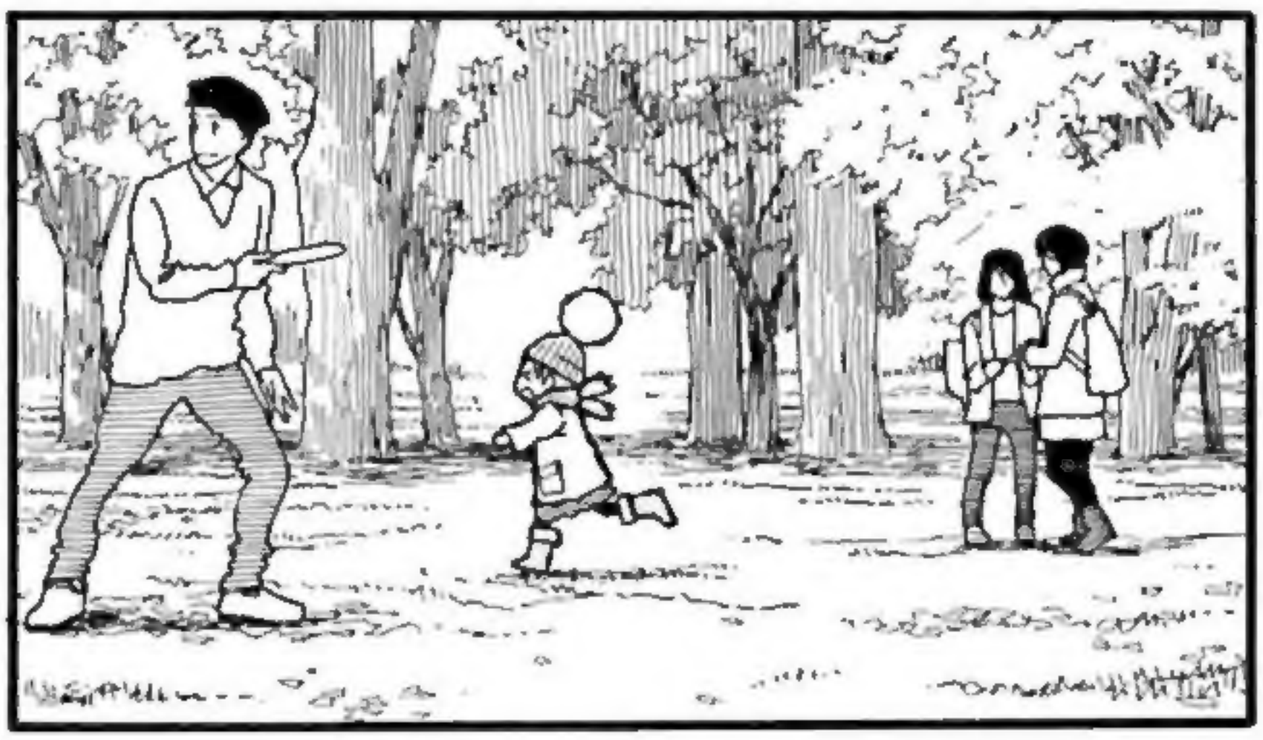
Okay, so when I...

CLAP

It's so open

Hey, can I run around over there?

Hm?



CLAP
CLAP
CLAP

Alright, that's all

Go

What!?

It was a test

As soon as you hear it, come back

CLAP CLAP CLAP

!

Jeez!!

You can do that too!?

Huff....!

What!?

Oh, I just wanted to try calling you

!

What? I didn't clap

?

Daddy, this is serious ...!

I might have made a huge discovery ...

Well, it is fall

Hm...?

Lots of leaves are falling...

...Yeah

...and become naked

In winter, the trees lose all leaves...

That... might be because all the leaves fall during Fall...

...You might be on to some-thing

Right!?

I figured it out!

What is she doing?

Why Harajuku?
